Remarks

Nestled at the end of a 900 ft gravel driveway, this charming log cabin sits on over 6 acres of wooded serenity in Jim Thorpe—offering the ultimate private escape. Surrounded by nature, enjoy morning coffee or evening gatherings on the oversized deck, ideal for entertaining and watching wildlife pass through. Inside, the cabin features rich hardwood floors throughout, a cozy propane stove, and a first-floor bedroom and full bath with double pedestal sinks and a standing shower. Two additional bedrooms are located upstairs, accessed by custom shiplap steps. Recent upgrades include a durable metal roof (2010) and three new mini split systems with a heat pump (2025) for efficient heating and cooling. The property also includes a storage shed, gravity sand filtration septic system, and parking for at least 6-7 vehicles. A small creek adds a touch of magic to this peaceful setting. Just 5 minutes to town, 25 minutes to ski resorts, and close to all the adventure and charm the Poconos has to offer.
